

RECRUITING PROCESS MEPS QUESTIONNAIRE

(This form is subject to the Privacy Act of 1974, Use AF Form 883)

The Air Force must recruit and retain the best talent to ensure we continue to be the best Aerospace Force in the world. Measuring professional and unprofessional conduct is an important facet to ensure we maintain good order and discipline. An environment that tolerates any unprofessional conduct is not conducive to retaining the desired talent needed by the United States Air Force. Our goal is to ensure the best working environment possible free from all unprofessional conduct, unlawful harassment, sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature. You should never feel that submission to such conduct is needed or a condition of employment.

THIS QUESTIONARE WILL BE USED TO IMPROVE RECRUITING EXPERIENCES. PLEASE ANSWER EACH QUESTION HONESTLY AND COMPLETELY.
